Vivekananda Institute of Professional Studies (VIPS) has been a privately owned college inDelhi since 1998, operating under the Strength India Educational Society. The institution is affiliated with Guru Gobind Singh Indraprastha University (GGSIPU) and recognized by the Bar Council of India. The institute has been ranked 30 and 15 in the Law department by IndiaToday and Outlook

in 2023 respectively. VIPS offers multiple programs in the fields of Law, Media Studies, Management, and Information Technology.

VIPS Delhi offers programs like BTech, BBA, BCA, BJMC, BA, BCom, and BA LLB at the UGlevel. Furthermore, the institute offers multiple PG programs such as MCA, MA, and LLM. The institute accepts IPU CET exam scores for admission to these courses. However, JEE Main scores are also accepted by the Vivekananda Institute of Professional Studies for B.Tech admission. The institute allows candidates to be admitted into its Lateral programs offered under the BTech and MCA departments. Admission for B.Tech programmes is through the JEE MAIN Entrance exam, Which is held twice a year.

The cutoff for year 2022-2023,round 1, Delhi region, general category for B.tech CSE (computer science Engineering) is 1,18,858. The cutoff for year 2022-2023,round 1, Delhi region, general category for B.tech AIML (Artificial intelligence and machine learning) is 1,86,157.  The cutoff for year 2022-2023,round 1, Delhi region, general category for B.tech AIDS (Artificial intelligence and data science) is 1,69,279.  The cutoff for year 2022-2023,round 1, Delhi region, general category for B.tech IIOT (Industrial Internet of things) is 2,26,643.

The cutoff for year 2022-2023,round 2, Delhi region, general category for B.tech CSE (computer science Engineering) is 1,18,208 . The cutoff for year 2022-2023,round 2, Delhi region, general category for B.tech AIML (Artificial intelligence and machine learning) is 1,86,157 .  The cutoff for year 2022-2023,round 2, Delhi region, general category for B.tech AIDS (Artificial intelligence and data science) is 1,68,774.  The cutoff for year 2022-2023,round 2, Delhi region, general category for B.tech IIOT (Industrial Internet of things) is 2,26,179.

The cutoff for year 2022-2023,round 3, Delhi region, general category for B.tech CSE (computer science Engineering) is 1,20,962. The cutoff for year 2022-2023,round 3, Delhi region, general category for B.tech AIML (Artificial intelligence and machine learning) is 1,88,523.  The cutoff for year 2022-2023,round 3, Delhi region, general category for B.tech AIDS (Artificial intelligence and data science) is 1,74,184.  The cutoff for year 2022-2023,round 1, Delhi region, general category for B.tech IIOT (Industrial Internet of things) is 2,26,179.

The cutoff for year 2022-2023,round 1, Outside Delhi region, general category for B.tech CSE (computer science Engineering) is 58642. The cutoff for year 2022-2023,round 1, Outside Delhi region, general category for B.tech AIML (Artificial intelligence and machine learning) is 93264.  The cutoff for year 2022-2023,round 1, Outside Delhi region, general category for B.tech AIDS (Artificial intelligence and data science) is - 90692.  The cutoff for year 2022-2023,round 1, Outside Delhi region, general category for B.tech IIOT (Industrial Internet of things) is 101717.

The cutoff for year 2022-2023,round 2, Outside Delhi region, general category for B.tech CSE (computer science Engineering) is 60050. The cutoff for year 2022-2023,round 2, Outside Delhi region, general category for B.tech AIML (Artificial intelligence and machine learning) is 93264.  The cutoff for year 2022-2023,round 2, Outside Delhi region, general category for B.tech AIDS (Artificial intelligence and data science) is - 90692.  The cutoff for year 2022-2023,round 2, Outside Delhi region, general category for B.tech IIOT (Industrial Internet of things) is 96501.

The cutoff for year 2022-2023,round 3, Outside Delhi region, general category for B.tech CSE (computer science Engineering) is 63175. The cutoff for year 2022-2023,round 3, Outside Delhi region, general category for B.tech AIML (Artificial intelligence and machine learning) is 93264.  The cutoff for year 2022-2023,round 3, Outside Delhi region, general category for B.tech AIDS (Artificial intelligence and data science) is - - 90692.  The cutoff for year 2022-2023,round 3, Outside Delhi region, general category for B.tech IIOT (Industrial Internet of things) is 96501.

Annual fee for Btech AIDS is Rs.1,71,500. Annual fee for Btech AIML is Rs.1,71,500. Annual fee for Btech IIOT is Rs.1,71,500. Annual fee for Btech CSE is Rs.1,71,500. Annual fee for B.Tech Electronics Engineering

(VLSI Design & Technology) is Rs.1,71,500. Annual fee for B.Tech Computer Science & Applied

Mathematics is Rs.1,71,500. Annual fee for B.Tech CSE (Cyber Security) is Rs.1,71,500.

Vips-Tc has 6 societies. Society for entrepreneurship is E- Cell (entrepreneurship cell) and its instagram handle is @ecell.vips . Society for dance is Incredibles and its instagram handle is @incrediblesofvips . Society for literature is Kavyarang and its instagram handle is @kavyarang_vipsengineering . Society for Theatre is Rangmanch and its instagram handle is @rangmanch__vips . Society for music is Tarana and its instagram handle is @tarana.music . Society for Creativity is Kalakriti and its instagram handle is @kalakriti_vset. Eco Club of Vips-Tc is Srijan and their insta handle is @srijanvips
